Equipment and safety rules

– According to the rules of the FIE and the Hungarian Fencing Federation fencers in **all age groups** must be equipped with fencing gear that matches the general safety regulations: **compulsory** to wear underplastron with FIE label of 800 NW; mask, jacket and breeches with FIE label of 350 NW.

– All masks must pass our mask control before the events! Please take extra care of your masks! Double check them with professionals before travelling! We take the following FIE-rule strictly: *„If a mask cannot pass the control, the control person is going to make that mask visibly unusable in the presence of the involved fencer or their captain.”* Masks with painted scary mask designs are forbidden.

– In Mini age group weapons must be fitted with blades size ZERO, and small guards. **This is compulsory!** All the other age groups (Kid, Novice, Adolescent) must fence with weapons fitted with blades size FIVE and normal sized guards. Of course the other aspects of the weapon such as the weight, the gauge and the curve of the blade, will be checked by the referees.

– **Only the competitors, their coaches and referees are allowed to stay in the piste area!** We kindly ask parents and other attendants to acknowledge the rules and remain seated in the grandstand area.

– Medical presence is ensured by the organisers.

– Organisers take no responsibility for lost or stolen property!

Renumerates

In each event, medals will be awarded to the first eight fencers.

In kid, novice and adolescent events 1st and 2nd places receive a valued PBT-voucher. However, there is a chance for each competitor to win the same voucher just like the 1st – with the „Lucky Pi System” operated by a random-selector software.

Referees

– The fencing clubs which are organising a tournament in the actual season provide one, or if it's possible two referees free of charge – for the other clubs organising competitions in the same season.

– The bouts from tableau 16 are lead by the four main referees who are sent officialy by the Hungarian Fencing Federation.

– **Henceforth, the entrants of foreign nations must provide referees as following:**

One referee: if a nation registered 4–8 entrants for an event (for example kid boys).

Two referees: if a nation registered 9, or more entrants for an event.

Please note, these referees are requested per foreign nation, not per each club that enters the competition.

Therefore, we suggest making agreements with fellow clubs. If a nation is unable or won't ensure referees, that nation must pay 50 EUR penalty to the host club of the competition. If the foreign nations deny paying the penalty, it will result in exclusion of all entrants from that nation.

Olimpici GP competition is not dealing with names of foreign clubs anymore, all the foreign fencers will be registered by the name of their nations.
