III. Balassi Cup Fencing Tournament Esztergom, 3-4th February 2018

Bálint Balassi was the first outstanding poet of Hungarian Literature, a "Turk-beating Noble". During the battle for Esztergom in 1594 a hackbut damaged both his thighs. He died of sepsis due to medical negligence. Our Fencing Tournament in Esztergom (where he died), organized around Bálint-Day is a tribute to his patriotism and poetry.
